

CERTIFICATE OF LABELING

Label CH-C251-2025-134

The company

Sottas SA

has been awarded the CARBON FRI label. The company has fulfilled all required conditions and submitted all necessary documents in accordance with the labeling regulations dated 15/05/2018.

This certificate specifically confirms

That the CO₂ assessment was carried out by an accredited organization, ensuring compliance with ISO standard 14064-1.

The existence of a climate policy and a statement of intent to reduce CO₂ emissions.

The presence of a confirmation of financial contribution to the Foundation.

The label is valid for one year starting from 29/04/2025.

Issued in three copies in Fribourg, 29/04/2025

Authorized by

Christophe Emmenegger

President, Foundation Carbon Fri

A handwritten signature in blue ink, appearing to read "C. Emmenegger", is positioned below the printed name and title.
